Music has a unique ability to touch lives and transform hearts. Over the course of 21 years in ministry, Selah has seen that power over and over again. For Todd Smith, Allan Hall and Amy Perry, it's both humbling and exciting to be part of a force that inspires, entertains and encourages. That's what Selah's music has always done and what the trio does yet again on You Amaze Us.

Nearly two decades and an impressive list of accolades later, the members of Selah continue to impact lives with their musical gifts. "When I was a child, I felt like God said to me, 'I want you to help people through music,'" recalls Hall. "I didn't know what form that would take and that it would end up being a career, but I'm glad it did. I love talking with people after our shows and hearing their stories. That's why we do this—to encourage them. If we can lighten someone's burden or help them walk through something even for a moment, I think that's what God would have us do with our music."
